Equality Statement

Manor Park Academy is committed to the principle of equal opportunities for all. We operate an inclusive curriculum, which respects the diverse needs of every child.

This statement demonstrates our commitment to ensure full access to the progression through the curriculum for all pupils. In addition, it acts as a positive focus when considering matters of school management and organisation.

We encourage the development and promotion of positive attitudes through the implementation of a curriculum which is broad and balanced, thus enabling all pupils regardless of colour, race, creed, gender or special educational needs, to have full access to the curriculum.

We believe that by acknowledging, valuing and understanding our similarities and differences that members of our society will play an active role in contributing to our future society. The academy's touchstones, and in particular our positive behaviour expectations and learning powers are at the heart of all we do.

We recognise that prejudice can, and does, exist at all levels in our society. However, it will not be tolerated at any level within our academy.

We value all our children at Manor Park Academy and recognise the positive contribution each child can make in enriching and enhancing the ethos of our academy and wider community.

This is an annual statement made on behalf of the Local Governing Body by the Head Teacher.

Andy How

Executive Head Teacher

1. Our equality vision and values that underpin school life

Vision

We serve our community by providing an education of the highest quality, with exceptional experiences for every pupil, every day. This will be achieved by providing an exciting learning environment, which fosters a real love of learning and inspires all our pupils to become confident, caring and responsible individuals who exemplify our school values.

Values

Our school values will enable all children to flourish and reach their full potential within an inclusive, safe and stimulating setting:

Confidence – developing wisdom and talents in all areas of life.

Communication – effective articulation of thoughts and feelings and effective listening.

Independence – challenging yourself to achieve your own successes.

Resilience – keep trying until you fulfil your hopes and aspirations.

Respect – showing acceptance, understanding and compassion.

Support – working together in friendship and community.

Our children will be able to articulate, discuss and demonstrate these values and their meaning not only within the academy, but also as they continue their journey and learn to make a positive contribution to society.

Fundamental British Values

As part of the value system, the academy actively promotes and encourages the fundamental British values which permeate through all aspects of school life, and link seamlessly with the six core values of Manor Park. These are:

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual Respect
- Tolerance of those of different faiths and beliefs

These values are regularly promoted through high quality teaching, a rounded programme of collective worship and assemblies and a positive behaviour policy. This provision allows pupils to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. As well as teaching our pupils, our active promotion of these values also means we challenge pupils, staff or parents who express contrary opinions.

Academy aims

- Value and recognise the uniqueness and achievement of every member of our academy family
- Raise the aspirations of everyone within our academy community so everyone strives for **personal excellence** in everything they do
- Nurture and support all abilities, helping every child to achieve his/her potential in all areas of learning – intellectual, emotional, physical, social, moral, spiritual and cultural, placing children's happiness at the core of what we do
- Provide outstanding teaching and learning which enables all students, regardless of gender, race, background or ability, to excel
- Equip children with the resilience and perseverance to become creative and independent thinkers and to become lifelong learners within an ever-changing world
- Provide a rich, broad and balanced curriculum with emphasis on English, Mathematics, Science and the Arts
- Develop learning activities which stimulate positive models of enquiry, reflection, challenge and innovation

- Promote British Values alongside our school values to embody attitudes of care, tolerance, honesty, trust and respect within the academy and wider communities so that children develop as well-rounded and responsible citizens for the future
- Develop outstanding relationships with 'Parents as Partners' of their children's education and with all our stakeholders so everyone works together to achieve the best outcomes.

Key values upon which the academy is based

REAch2 Touchstones

Manor Park Academy models itself on the touchstones of REAch2, whereby as a Trust and an individual academy, we are committed to creating a culture that strongly reflects our Touchstones, seven principles that makes our academy unique and sets us apart from others. Our touchstones are used to express the values and ethos of the Trust and of Manor Park Academy, and describe what we will be known for and how we operate:

2. The characteristics of our school

Manor Park Academy is a two from entry primary school with its own nursery serving the community of Aston, Birmingham. Aston is located in the inner city to the north of the city centre. It has a population of 22,636 making it the 6th most populated ward in the city. It has a significantly younger age profile than the city as a whole and has a higher BAME population share. Aston is amongst the city's most deprived areas (in top 10% most deprived nationally) and has the ninth lowest average income out of the city's 69 wards. Resident employment rates in the ward are well below the city average and claimant count unemployment proportions are well above the Birmingham average.

Manor Park is a school which champions diversity, equality, community and excellence to meet and be responsive to the needs of the local community which it serves. With three other primary schools close by, it is key that Manor Park works collaboratively alongside them, but at the same time, remains distinctive.

3. Our duties

At Manor Park Academy we welcome our duties under the Equality Act 2010.

The Governing Body of Manor Park Academy is committed to promoting equality and diversity and eliminating discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.

By recognising and appreciating individual needs and differences the school will be broadly representative of the communities it serves, and be a place where children and staff will thrive – physically, mentally, socially, and spiritually.

We aim to advance equality of opportunity, and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This will be achieved by implementing equal opportunities and diversity practice across the three dimensions of the School: as an employer; an educator; and a resource of the local community.

We will ensure that the whole school community is aware of the Equality & Diversity Statement and our published equality information and objectives, by informing parents that they are published on our website and in our school prospectus.

Manor Park Academy is committed to meeting its public sector statutory duties as detailed below. We understand that the duties apply to service delivery and employment and staff management as well as policy development and implementation.

The purpose of this information is to set out how our practice and policies have due regard to the need to:

- **eliminate discrimination**, harassment, victimisation and any other conduct that is prohibited by or under this Act.
- **advance equality of opportunity** between persons who share a relevant protected characteristic and persons who do not share it
- **foster good relations** between persons who share a relevant protected characteristic and persons who do not share it.

4. Protected characteristics

We understand the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity. A protected characteristic under the act covers the groups listed below:

- increasing the extent to which disabled pupils can participate in the curriculum;
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided;
- improving the availability of accessible information to disabled pupils.

6. How we meet our legal and general duties

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

Publish equality information

No information will be published which could specifically identify any individual child or adult.

Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

We will use the information collected to:

- evaluate how well we comply with all our duties under the Equality Act
- assess the potential and actual impact of policies and procedures
- decide where positive action may be appropriate
- identify priorities, set equality objectives and update our accessibility plan
- monitor progress towards meeting these objectives and implementing our accessibility plan
- inform future action.

Our objectives will detail how we will ensure equality is applied to the services listed above; however, where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

7. Core Statements

In fulfilling our legal obligations, we will be guided by seven core statements:

- All learners are of equal value.
- We recognise, welcome and respect diversity.
- We foster positive attitudes and relationships, and a shared sense of belonging.

- We observe good equalities practice, including staff recruitment, retention and development.
- We aim to reduce and remove existing inequalities and barriers.
- We consult and involve widely
- We strive to ensure that society will benefit.

8. Addressing Prejudice Related Incidents

Our academy is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice to prevent any incidents. If incidents still occur, we address them immediately and report them to the Local Authority using their guidance material.

9. Chain of accountability

The Local Governing Body, supported by the Head Teacher and staff, is responsible for ensuring the implementation of this scheme.

The Headteacher retains overall responsibility for ensuring that the action plan is delivered effectively.

Each term, managers and key staff will report to the Headteacher on actions and progress.

It is a way to ensure we meet diverse needs of our pupils/students and staff and that diversity, equality and inclusion run through all areas of school life.

13. Commitment to review

The academy equality scheme is aligned with the School Development Plan. Its implementation is monitored within the school's self-evaluation and other review processes (The Senior Leadership Team and Governing Body) as well as being updated at least annually.
