## Next Week

Please ensure you use the link your child's class teacher has sent you to sign up to Class Dojo. If you have not received a link, please email your class email address and your child's teacher will send you another. We will be using Class Dojo to communicate important messages to you, share what your children have been doing in school and as a messaging service where you can message school staff if you have any questions. We have had really good feedback about this so far and I am really excited about how it will help you know more about school life.
