Next Week

Next week the national lockdown ends and we go back into the tier system. Unfortunately, Birmingham is in tier 3 which means that we are in the very high risk category. More information about the tier system and the restrictions in place for tier 3 can be found here:

<https://www.gov.uk/guidance/local-restriction-tiers-what-you-need-to-know#very-high-alert>

The rate of infection is very high in Aston so please ensure that the guidelines are followed entirely to protect our community.
