The week that was...

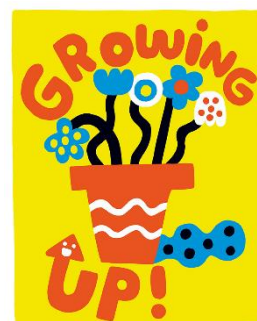

Eid Mubarak

We hope our families who were celebrating Eid this week had a wonderful time. The kitchen on Thursday made some delicious foods and desserts. We thank the Kitchen staff for their efforts because the general consensus was it was restaurant quality.

Year 5 & 6 Parents Meeting on SRE

This is an important meeting for parents of children in years 5&6 regarding the Puberty talk that the children will be receiving in the coming weeks. This is an opportunity for parents to view the content that will be delivered and to ask any questions to elevate any concerns. It is at 2.30pm in the hall.

Parents Evenings

We are having our final parents consultations on Wednesday 12th of June and Thursday 13th June. This is a time when you can see the progress your child has been making and a chance to look in their books. It is important that you make a time to see your child's teacher.

Nursery and Reception Open Day

We are hosting an open morning on Thursday 13th June from 9am until 10am for Reception and in the afternoon from 1pm until 2pm for Nursery. Please can you promote to friends and other family members. Our EYFS has been graded as **outstanding** by Ofsted and it is a place of excellence.

Calling all Dads, Uncles and Other significant males!

Father's Day Reading and Coffee Morning

Father's day is quickly approaching and on Friday 14th of June from 8.45am until 9.10am we are inviting all dads, uncles or other significant males in our children's lives to come and read or be read to by their children. This will be followed in the hall with a coffee morning. It was very successful when we did the same for our mums, so this is your turn for us to celebrate all you do.

Have a great weekend!

Mr Wilson
